Mindnotes® notebooks & diaries

Mindnotes® is a brand of prestigious advertising notebooks & diaries available in hundreds of versions with tailor-made features to suit the needs of every advertiser.

The offer includes a vast choice of different coverings, colors, patterns and textures. All products are available in soft and hard covers, debossed or custom printed, with various finishing types.

Each element of the notebook & diary can be customised to match the spirit of the brand and the customer's expectations. Mindnotes® products are always the right choice and a perfect product for all advertising purposes.

on my Mind

How will you describe your passion?

Different people, different passions and dreams.

While one scrupulously records ideas,
the others in the chaos create miracles.

Sometimes our thoughts do not fit in the lines
in a notebook, but it's always good to save them!

Sweets on my Mind

Margaret Parks

culinary blogger

*"You can't buy happiness, but you can buy cupcakes...
your life is sure to become sweeter and more colorful"*

Roma

Smooth, matte and dirt-resistant, extremely durable vinyl material in a wide range of vibrant colors. The cover material is very thin, making it perfect for flexible hard covers.

NEW

A close-up photograph of a woman with long dark hair, wearing a plaid shirt and a gold watch, looking through the eyepiece of a black telescope. The background is a warm, out-of-focus orange-brown color.

Stars on my Mind

Veronica Blum

Astronomer

*"Remember to look up at the stars and not down
at your feet. Be curious."*

Palermo

Modern, extremely durable structural
cover material with a 3D effect.
Perfect for products in both hard and soft covers.
Recommended for blind debossing. Available
in 7 colors in matt and metallic versions.

Prestige on my Mind

Jan Mazurski

investor

*"As someone said, I will never put my name
on a product that does not have
in it the best that is in me."*

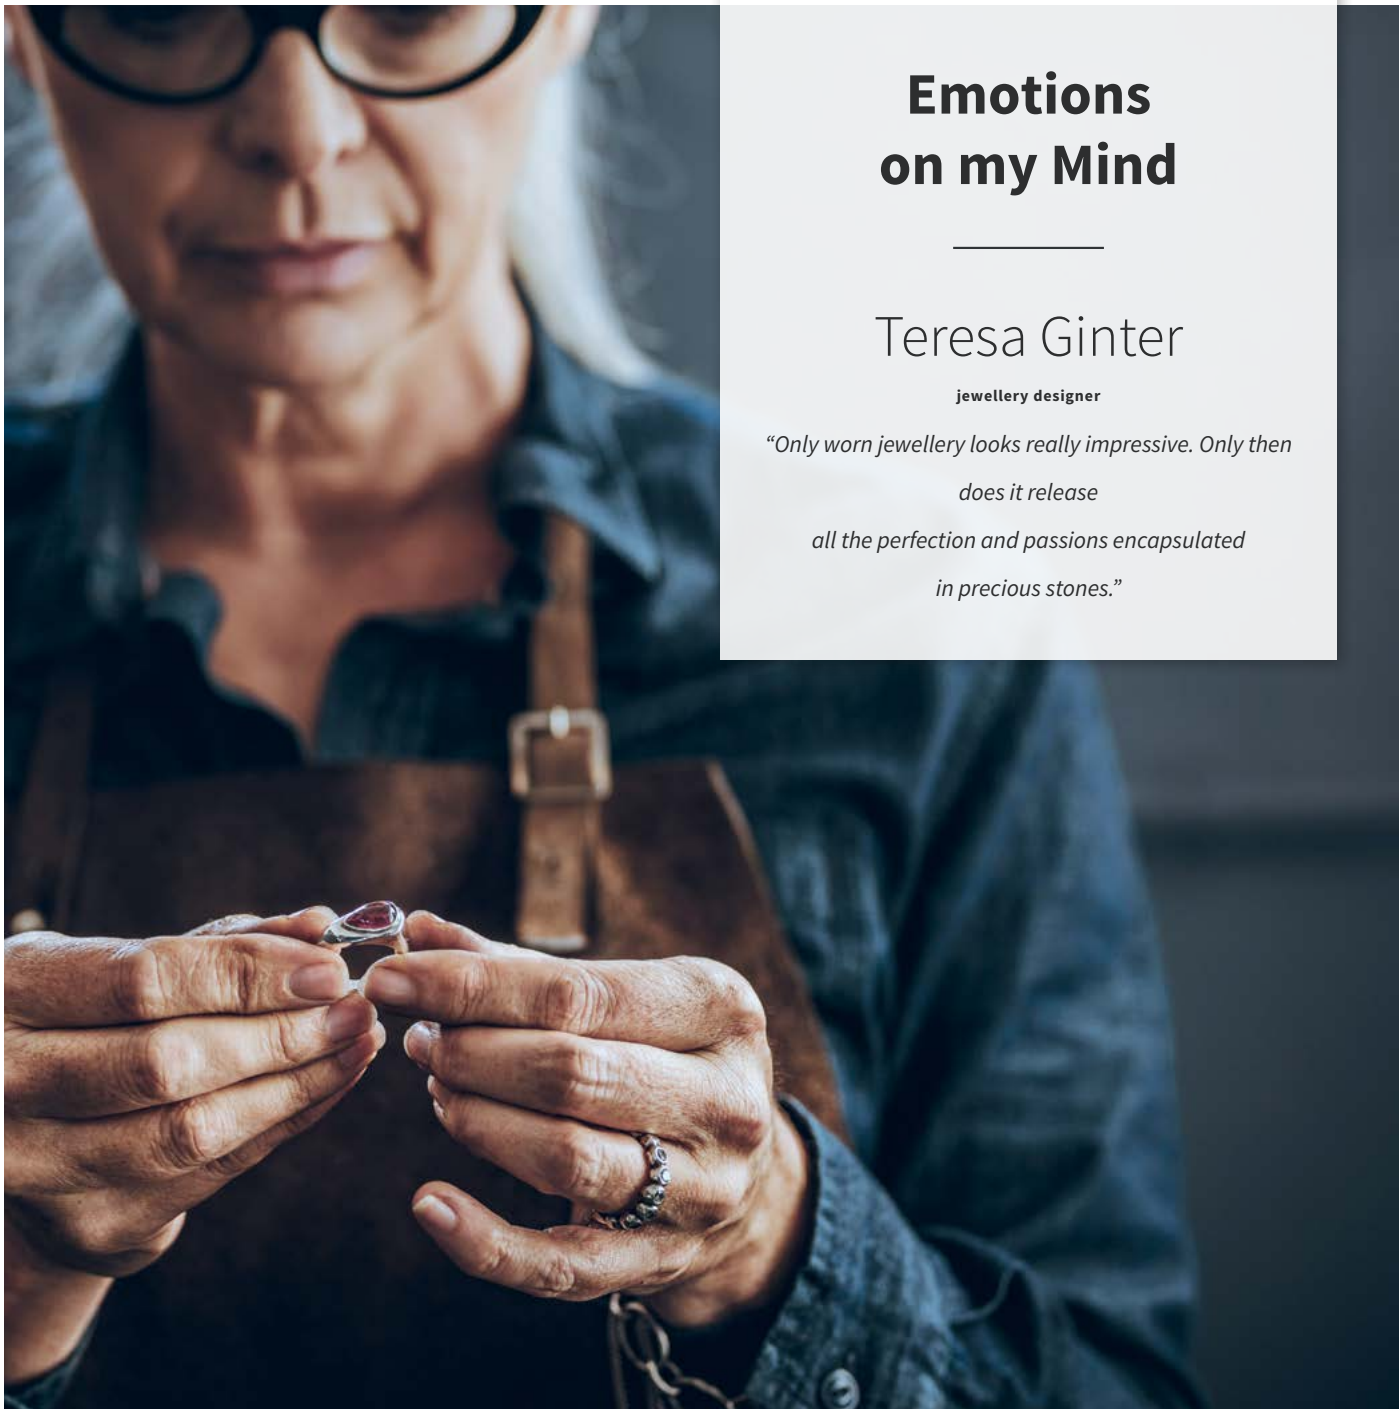

Florence

Heat-sensitive cover material that resembles nubuck. Finished with a soft, fluffy surface, Florence stands for durability, quality and luxury with a really soft touch. Will provide unsurpassed results with blind debossing techniques.

Emotions on my Mind

Teresa Ginter

jewellery designer

*"Only worn jewellery looks really impressive. Only then
does it release
all the perfection and passions encapsulated
in precious stones."*

Verona

Extremely mellow, cover material with delicate glitter. Perfect for debossing, due to its ability to reproduce perfectly even the smallest elements. Exceptionally elegant material leaves no fingerprints, making it the perfect material for covers.

PROMOTIONAL GIFT
AWARD 2019

A woman with long dark hair and black-rimmed glasses is focused on writing in a small, light-colored notebook. She is wearing a white patterned sweater over a green top. The background is softly blurred, showing what appears to be a warm, indoor setting with a fireplace or heater in the distance. The overall mood is quiet and contemplative.

Words on my Mind

Maria Zych

writer

*"What we expect from literature is not
great writers, we need great works and these
are what we wait for the most."*

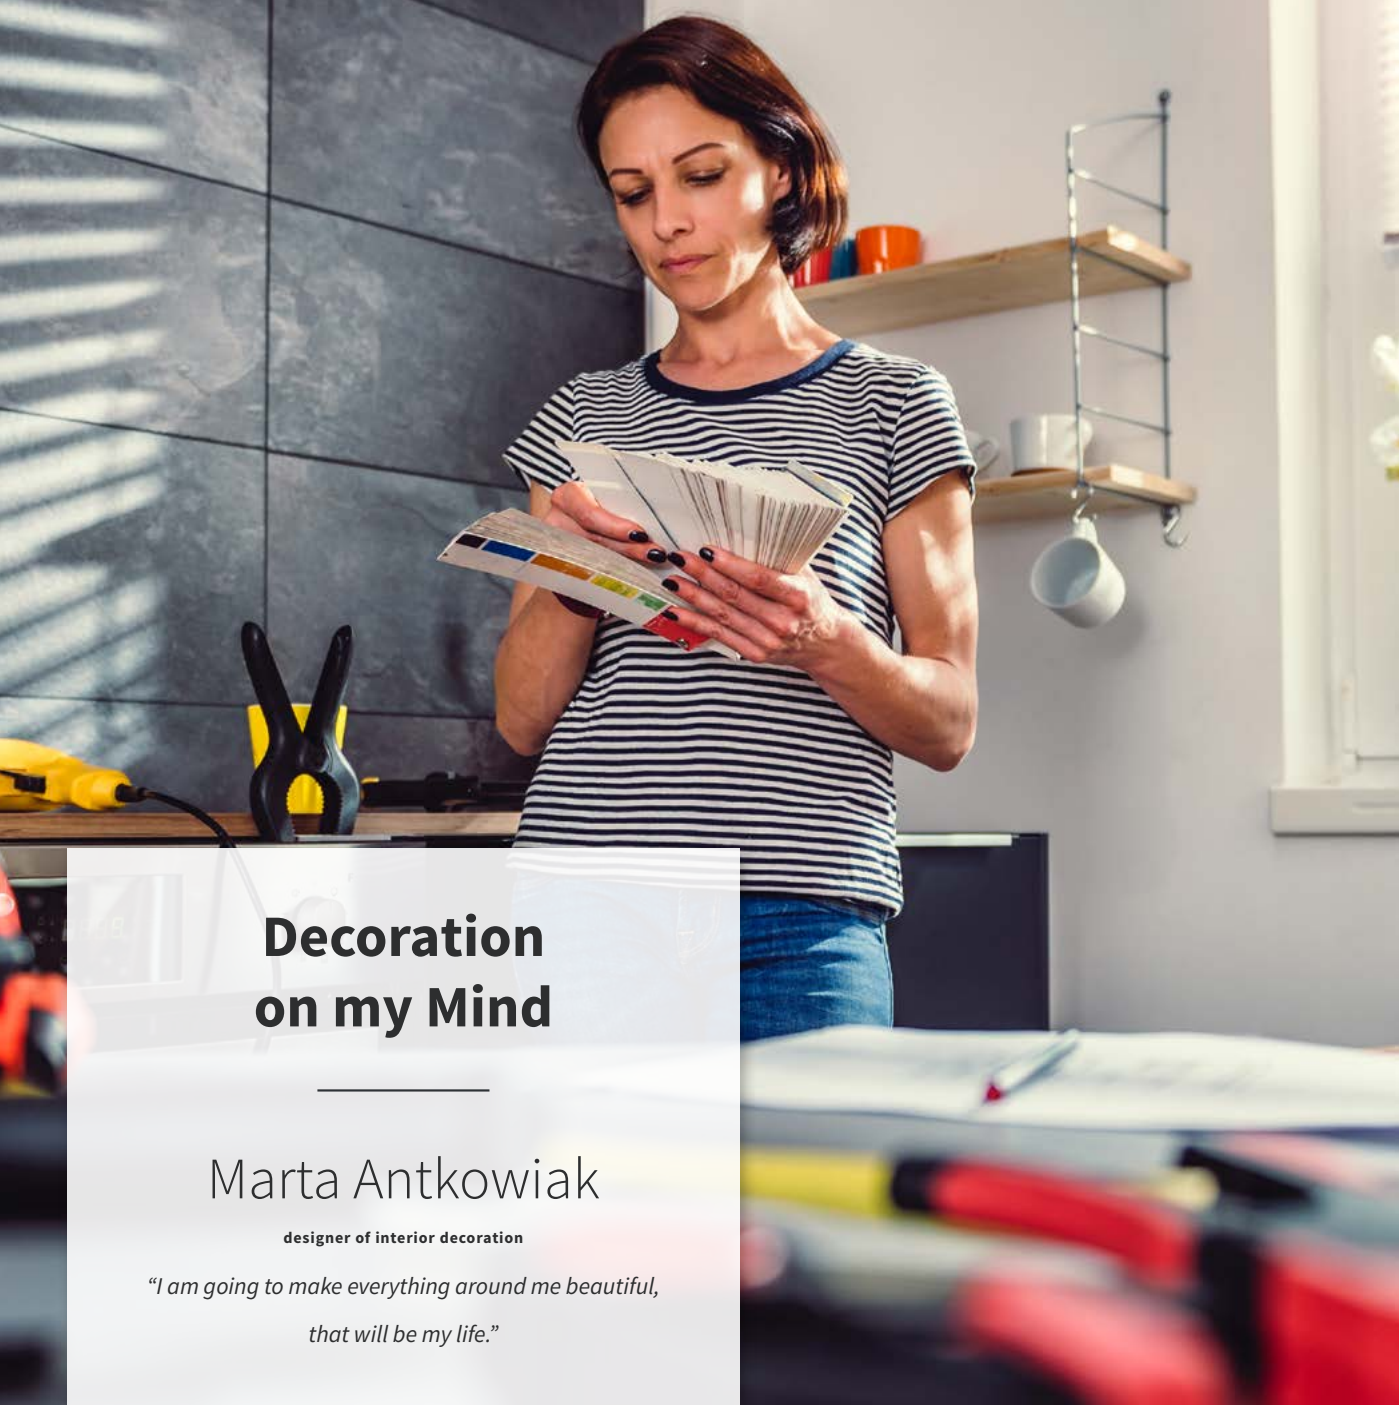

Torino

Heat-sensitive and soft touch cover material, available in 21 attractive colors. It is an absolutely stylish and top-selling cover material.

The application of the highly recommended debossing technique guarantees excellent reproduction of motifs.

Mindnotes® diary in softcover MN22-CAL

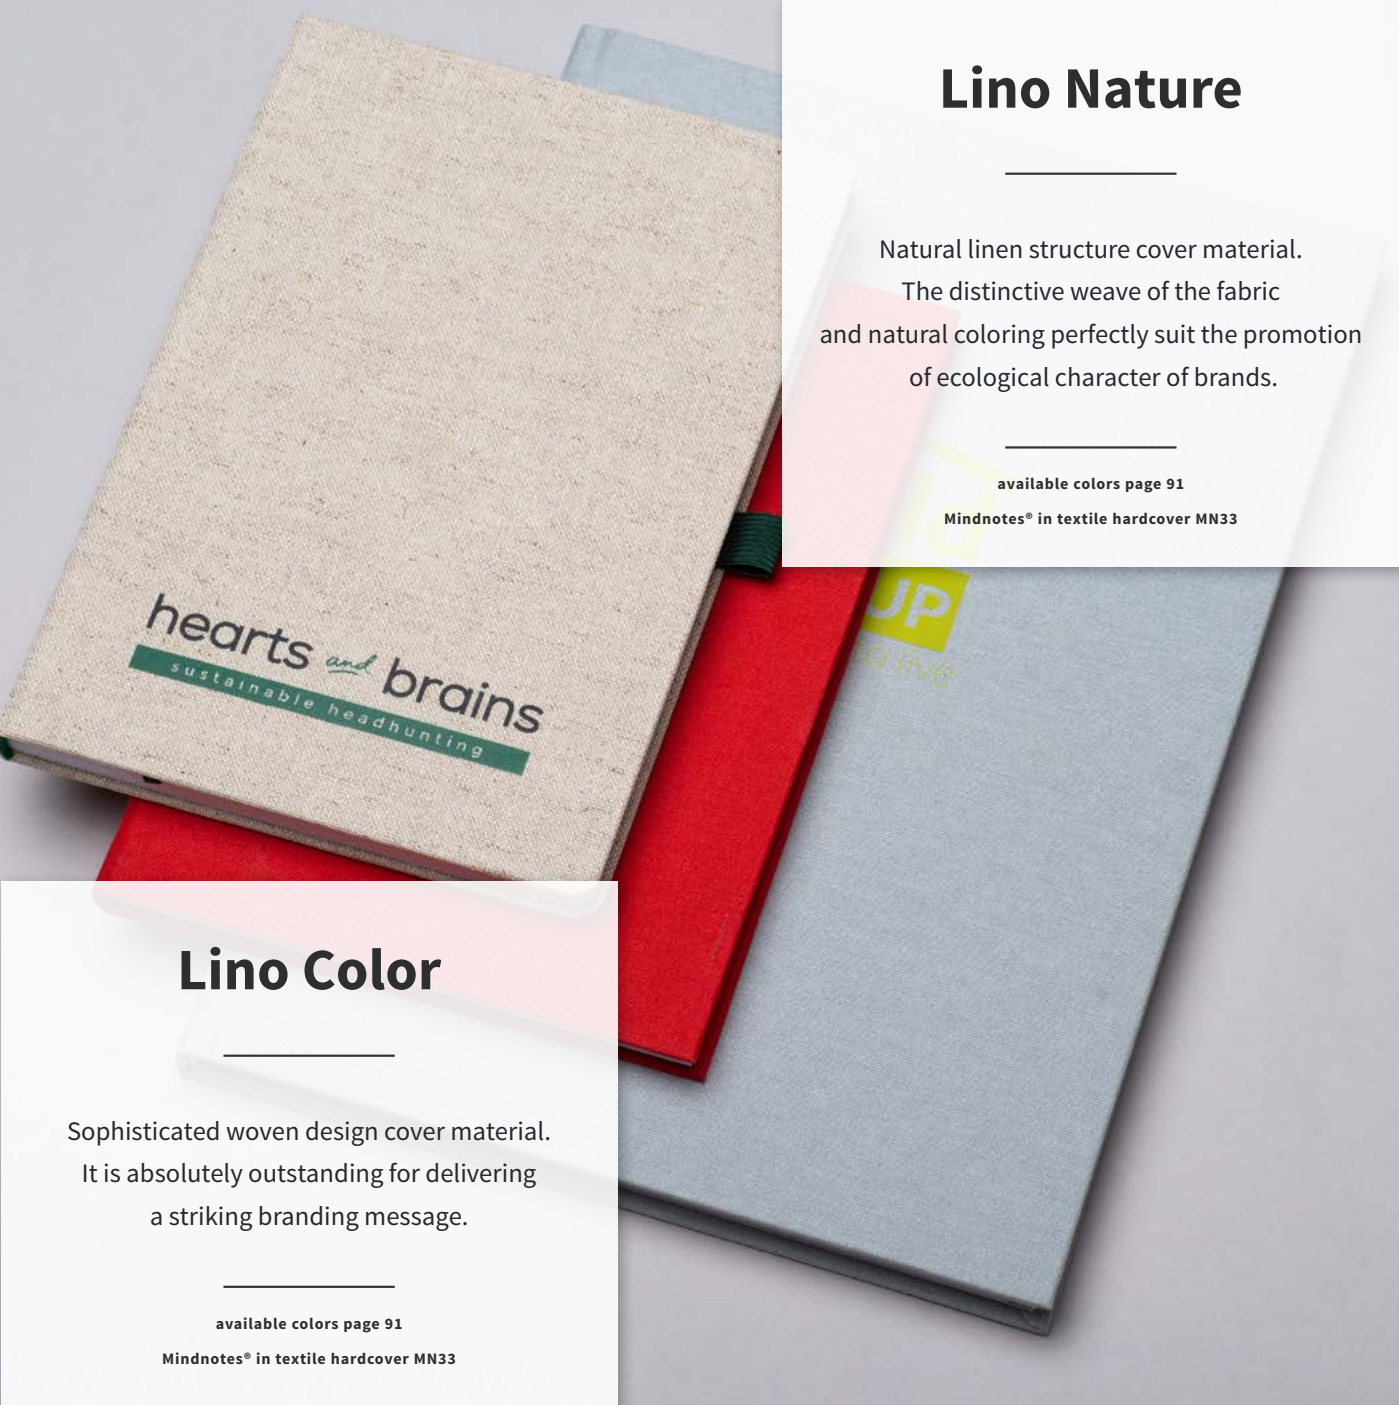

A woman with short brown hair, wearing a black and white striped t-shirt and blue jeans, is looking down at a fan of color swatches she is holding in her hands. She is standing in a workshop or studio. In the background, there is a grey tiled wall, a wooden shelf with various items, and a metal rack with hanging mugs. In the foreground, there is a workbench with a yellow power drill and a black clamp.

Decoration on my Mind

Marta Antkowiak

designer of interior decoration

*"I am going to make everything around me beautiful,
that will be my life."*

Lino Nature

Natural linen structure cover material.

The distinctive weave of the fabric and natural coloring perfectly suit the promotion of ecological character of brands.
